Our Mission

Sussex County Women's Forum (SCWF) is a 501C (3) non-profit organization dedicated to assisting women and their families whose lives are impacted by a cancer diagnosis. The SCWF strives to provide early detection services, support and resources to the women of Sussex and surrounding counties.

As a Sussex County resident, I have found myself surrounded by women with breast cancer. I've stood by and watched the toll it takes on family and friends. This has made me seriously question how best I could help. It's my hope that the SCWF will continue to grow into an organization capable of assisting all women of Sussex County and surrounding communities whose lives are impacted by a cancer diagnosis.

-Mare Galeos

100% of proceeds will provide these critical components of women's healthcare:

- 3D Mammograms • Breast Ultrasounds
- Breast MRI's • F/U Office visit

Director and Founder of SCWF
